

SAVE THE ANIMALS KIT

The Jane Goodall Institute and Shainsware have joined forces to bring you two exciting new products!

“Save the Animals Kits” are available as a Bracelet or Bookmark Kit.

Each kit includes 50 new icon designs of species brought back from the brink of extinction in an effort to raise awareness among kids everywhere.

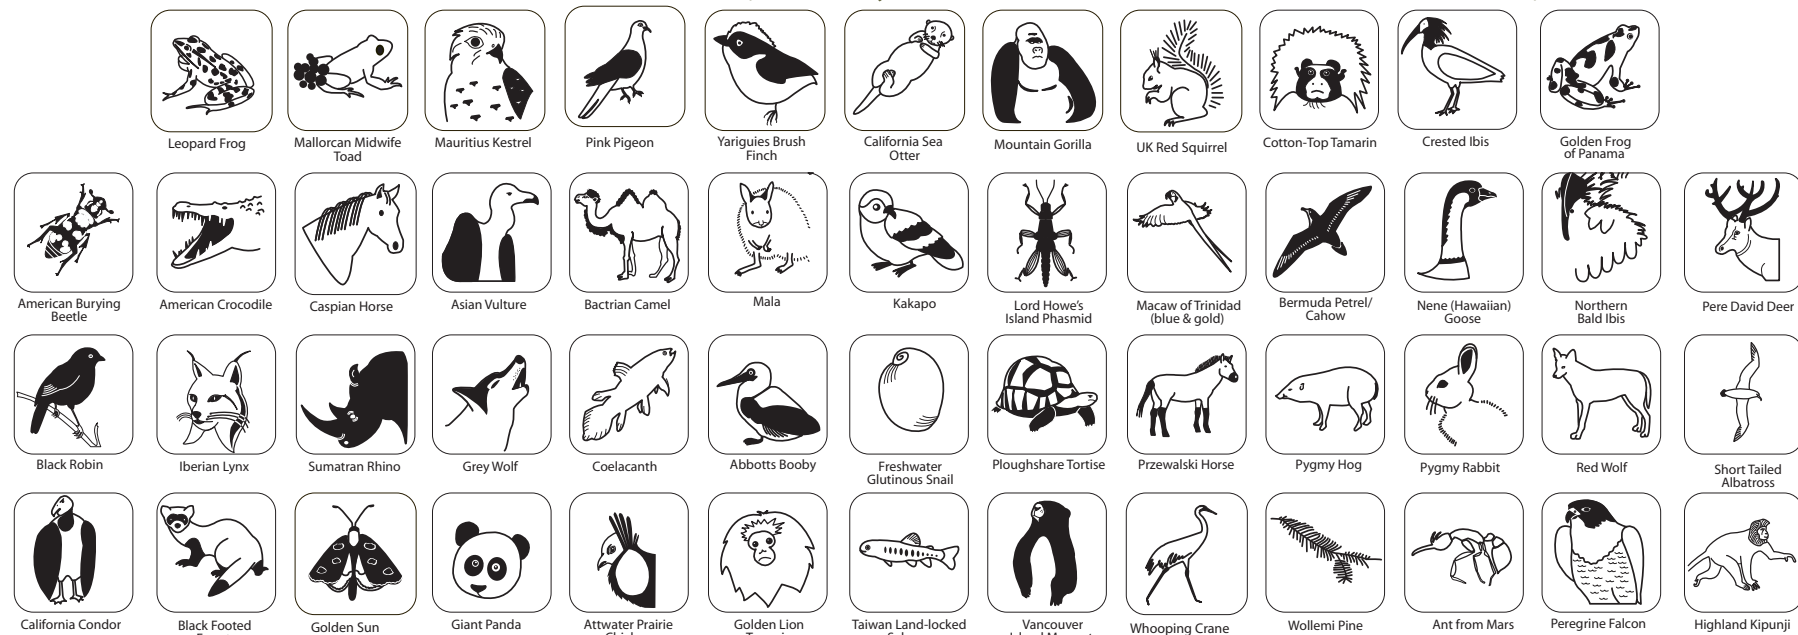

Dr. Jane Goodall is...

- A world-renowned primatologist, conservationist and humanitarian.
- Founder of the Jane Goodall Institute and Jane Goodall’s Roots & Shoots, the Institute’s global environmental and humanitarian youth program that has nearly 150,000 members—from preschool to college—in 110 countries.
- A *New York Times* best-selling author, whose 17th book, *Hope for Animals and Their World*, launches September 2, 2009.
- Frequently featured in major media from *The Los Angeles Times*, CNN and “The Martha Stewart Show” to publications like *Time for Kids*, which reaches nearly four million schoolchildren.

Each kit comes with all of these endangered species elements in various shains signature colors!*

*Not actual size; species may appear on different color than shown.
